35 YEARS OF HISTORY

What began in the early 1980s with a few friends getting together to sell wine to each other in support of Metropolitan Family Service, raising \$9,000 at their first event, has become a year-long celebration of food, wine, and helping our community.

For a charity auction to even exist for 35 years is remarkable. And this auction has not simply existed, it has thrived.

It has outlasted economic downturns and snowstorms, changed locations and formats, added culinary and wine events, and along the way consistently and successfully grown. We look forward to seeing what the future brings!
